

IRMAA (Income Related Monthly Adjustment Amount)

Due to the implementation of the Medicare Part D Income-Related Monthly Adjustment Amount (IRMAA) of January 2012 Medicare beneficiaries with an income above a certain level must pay an income-related monthly adjustment amount for their Medicare Part B and for Medicare Part D (if they choose to enroll in a drug plan). If your modified adjusted gross income as reported on your IRS tax return from 2 years ago is above a certain amount, you'll pay the standard premium amount and an Income Related Monthly Adjustment Amount (IRMAA). IRMAA is an extra charge added to your premium.
